

IMPORTANT RANCHO PEÑASQUITOS COMMUNITY NEWS

Community Canyon Fire Watch Program

Some of your local Rancho Peñasquitos Community Leaders have teamed up with City Councilmember Sherri Lightner and the San Diego Fire-Rescue Department to start a very important Community Canyon Fire Watch Program for neighborhoods in Rancho Peñasquitos that surround the Los Peñasquitos Canyon.

The Community Canyon Fire Watch Program will begin at a community meeting on:

Sunday, September 13th, 2009 at 12:00 to 1:30 pm

Peñasquitos Creek Park, 8021 Park Village Road
San Diego, CA 92129

Your Community Leaders are looking for volunteers to assist in this effort to help protect the Los Peñasquitos Canyon and your neighborhoods from fires during the high fire severity months of September, October and November.

Please attend the community meeting on Sunday, September 13th to find out how to work with the Community Canyon Fire Watch Program to help protect your home and neighborhoods from fire this fall.

For more information on the Community Canyon Fire Watch Program, please visit the Rancho Peñasquitos Town Council Website at www.rpcouncil.com, or call Tim Pomeroy of the Rancho Peñasquitos Fire Safe Council at (858) 527-9695.
